EDITORIAL

Dear readers,

At Litera Valley School, every season brings with it new milestones, vibrant memories, and inspiring stories of achievement. This quarter has been no exception.

The melodious evening with Music Maestro Ehsaan Noorani electrified our campus and will remain etched in our hearts as a celebration of rhythm, harmony, and joy. Soon after, LitFest 8 unfolded—an extravaganza of imagination and creativity where our students gave voice to ideas, words, art, and performance, proving once again that Litera Valley is a cradle of talent.

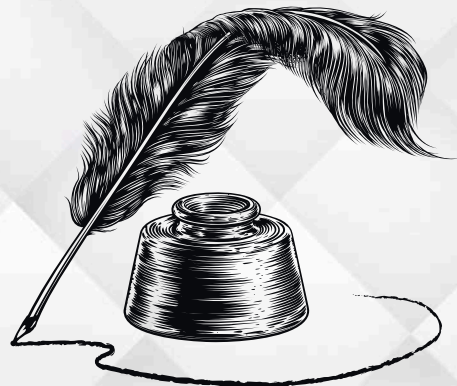

On the sports front, our young athletes made us immensely proud. At the Inter-School Swimming Competition at DPS East, the LVS team, guided by Coach Abhishek Sir, splashed their way to the overall championship title. Equally commendable was our spirited performance at the CBSE Cluster Badminton Tournament 2025, where our players displayed skill, grit, and sportsmanship. The thrill of the Friendly Football Matches added yet another feather, bringing our school community together in camaraderie and energy.

The Investiture Ceremony 2025 marked another landmark as we entrusted leadership to our newly elected student council, reminding us that education is not only about knowledge but also about responsibility, vision, and service.

I take pride in presenting these glimpses of our collective journey—moments that inspire, achievements that uplift, and experiences that shape the young minds of Litera Valley School. May we continue to nurture excellence, creativity, and character in every endeavor.

Happy reading!
