THE LITERA TIMES

YOUR ACHIEVEMENT. OUR COMMITMENT

YOU'RE WELCOME TO THE

6th Edition of The Litera Times.

It's that time of the year when the sun shines brighter, the days grow longer, and the promise of adventure lingers in the air. For many of us, summer means a break from the hustle and bustle of school life, a chance to recharge, explore new passions, or spend time with family and friends. We can feel the excitement building as students prepare for their summer plans, whether it's heading off on a family vacation, diving into a new hobby, or simply relaxing at home. But before we dive into the warmth of summer, let's take a moment to reflect on the past few months—on the hard work, the laughter, and the memories we've created together.

This edition of Litera Times celebrates all that we've achieved in the past 3 months. As we approach the end of the school year, let's cherish the moments we've shared and look forward to a bright, sunny summer ahead. Here's to a season of fun, growth, and new beginnings!

Gearing Up for Success: The Hard Work Behind CBSE Class 10 and 12 Board Exams

~Soumya

As the CBSE Board Exams for Classes 10 and 12 draw near, students have shifted into high gear, fully focused on their preparation. Over the past few months, classrooms and study spaces have transformed into zones of intense concentration and determination. Students have been working tirelessly to revise concepts, practice previous year question papers, and master their respective syllabus.

These Board Exams are not merely about scoring high marks but also about testing knowledge, skills, and perseverance gained throughout the academic year. The rigorous preparation is helping students identify their strengths and work on areas that need improvement, ensuring they are fully equipped to handle the challenges of facing the Board Exam with confidence and aplomb.

Lessons end but learning never stops: Bidding farewell to the batch of 2024-25

~Shanvi Singh

With hearts filled with millions of memories and eyes filled with happy tears, our students of 12th grade celebrated their last day in the school campus, as we bid them a cheerful and heartful farewell. We all felt a nostalgic emotion in the air. The event started with enthusiastic dance performances, making everyone dive into high spirits.

This was followed by ramp walks, where students mesmerized the audience with their grace and style. Poems were recited, and melodies flowed and filled the entire place with awe. At the end, the students were awarded with various titles like Mr. LVS and Ms. LVS, the most exciting part among all. The show concluded with Principal Sir bestowing his heart warming messages to the seniors, wishing for them great wonders in the future. We hope our students rise to great heights in the future. The era ends here but the legacy will surely continue.

THE BLESSING CEREMONY

~Medha Bhardwaj

Endowing the 10th graders with sincere wishes

The Blessing Ceremony is organised in each academic session by Litera Valley School for the 10th Graders as an act of virtue and to confer good wishes for their vivid and radiant future. The students who have spent a very significant phase of their life in the school, feel bestowed by their teachers' warm optimism and hope for their diligently moulded futures which cheers them up. The event involves some

dance and band performances to entertain the students after which, a student from each section of the 10th grade speaks and reflects on their odyssey in the school and share their aspirations for the future. The Principal and Headmistress, then, addressed the students and bestowed them with blessings and good wishes for success in their Boards Examination

A Milestone of Joy: Senior K.G. Graduation Ceremony at Litera Valley School

~Arnav Raj Chauhan

Litera Valley School, Patna, witnessed a heartwarming celebration on the 21st of March, 2025—the Graduation Ceremony for Senior K.G. students. The event marked a beautiful blend of emotions, achievements, and aspirations as the young graduates took their first step towards a promising future. The ceremony began with the ceremonial lamp lighting, graced by Chairman Mr. Amit Prakash, Chairperson Ms. Anjali Singh, Principal Mr. Desmond Jude D'Monte, Headmistress Ms. Sujata Bhadani, and Finance Head Mr. K K Singh. Their presence

added grandeur to the occasion. The Principal's address was both inspiring and encouraging, motivating the little graduates to embrace their next academic chapter with confidence and curiosity.

The audience was treated to delightful dance performances by the talented Nursery and Jr. K.G. students, whose enthusiasm and charm captivated everyone present. However, the highlight of the event was the certificate distribution, where the confident little graduates, beaming with pride, received their certificates—a moment of immense joy and accomplishment.

The event concluded with the Vote of Thanks delivered by Coordinator Ms. Rashmi Pathak, expressing gratitude to all who contributed to making the day a grand success.

The Senior K.G. Graduation Ceremony was not just a celebration of academic progress but a testament to the bright future that awaits these young learners.

Unveiling revolutionary ideas: Talk show conducted

~Medha Bhardwaj

Litera Valley School organised an insightful and thought-provoking talk show on the topic "Women in the Political Domain" on 27th December, 2024. The event aimed to highlight the role of women in politics, their contributions, challenges, and the need for greater inclusion in leadership roles.

Students of grade IX and X were engaged in representing 5 powerful nations of the world. Germany, Finland, UAE, Pakistan and Indian. With a comparative presentation about their own nations on the screen made the event quite useful for the audience. There were questions thrown to the audience to clarify any doubts. The event concluded with the vote of thanks by respected HM ma'am, who applauded the participants for their engagement and the panelists for their inspiring words. The talk show served as a powerful reminder of the potential of women to lead and shape the future, encouraging students to contribute to a more equitable society.

A Strategic Guide to Exam Preparation: Mastering the Art of Studying

~ Avani Bhushan

Exams are a daunting prospect, but we can conquer them with confidence by using proper strategies, managing exam-day anxiety, and making well-structured approaches and effective study habits.

Crafting a study schedule helps in setting realistic goals as it breaks down our study plan into manageable chunks, allocating adequate time for each subject. Prioritize weak areas and help us focus our attention on the area which requires more practice and learning. Mind maps and diagrams help in grasping complex relationships and ideas. Solve practice problems and past exam questions to test our understanding and identify areas needing further attention.

Prioritize Self-Care as physical and mental well-being are crucial during exam preparation. Ensure you get enough sleep, eat healthy meals, and exercise regularly. Activities like meditation or yoga can help reduce stress and improve focus.

On the day of the examination quickly revise essential concepts before the exam. Answer strategically start with questions you are confident about and allocate time based on difficulty. Check your work and review your answers to catch any errors before submitting your exam.

Preparing for exams requires a proactive approach that involves understanding the exam format, creating a structured study plan, and utilizing effective learning strategies. Always remember to take good care of yourself in this time and you're going to ace your examination.

Celebrating the Spirit of the Nation: Republic Day at Litera Valley School

~Arnav Raj Chauhan

On the occasion of Republic Day, Litera Valley School came together to celebrate the spirit of the nation with great zeal and patriotic fervour. The day commenced with the Flag Hoisting Ceremony by Principal Sir, followed by the National Anthem and the Pledge, setting the tone for the celebrations that honoured the values of unity, justice, and equality.

In his address to the gathering, Principal Sir emphasized the importance of Republic Day. The primary wing students took the lead in organizing the program, which featured a beautiful choir, an emotional Hindi Poem Recital, an impactful Nukkad Natak, a stirring English Speech, and concluded with a vibrant dance performance, all of which brought the audience together in a celebration of India's rich cultural heritage and unity.

Experiential Learning: A Journey Through Rajasthan's Rich Heritage

~Soumya

Education extends beyond textbooks, and real-life experiences offer the best learning opportunities. A recent educational tour to Rajasthan proved this, providing students with an immersive journey through history, culture, and architectural marvels.

• A Journey Through Time and Heritage

A group of over 30 enthusiastic students, accompanied by three teachers, embarked on a six-day educational tour to Rajasthan. Their adventure began in Jaipur-The Pink City, where they witnessed the city's architectural brilliance and vibrant culture.

The journey continued through Bikaner, home to the majestic Lalgarh Fort, with its imposing red sandstone walls standing tall against the blue sky. The students also explored Junagarh Fort, a structure that seemed to freeze time with its magnificence. The Sheesh Mahal (Chamber of Mirrors) inside the fort mesmerized everyone with its intricate mirror work that reflected light in enchanting patterns.

Bikaner's cultural richness further captivated the students as they visited the Karni Mata Temple, Bhandasar Jain Temple, ICAR-National Research Centre on Camels, and the thrilling Raisar Dunes Desert Safari.

- **Exploring the Grandeur of Rajasthan**

The journey then led to Mehrangarh Fort, one of India's largest and most impressive forts, towering 122 meters above Jodhpur. The fort's historical significance and stunning architecture left an unforgettable impression on the students.

A visit to the Jantar Mantar, an ancient observatory that has stood for over 300 years, provided an insightful blend of History, Physics, and Geography. Students were awestruck by the astronomical instruments that could accurately predict time across seasons, showcasing India's scientific brilliance.

- **Memories That Last a Lifetime**

After a week of exploring a different part of the country, the students finally returned to the bustling Patna Junction, where they were reunited with their families. The journey, filled with awe-inspiring sights and cultural experiences, left an indelible mark on their hearts.

This tour was more than just an educational trip—it was a story of adventure, discovery, and unforgettable memories. It reminded everyone that learning is most impactful when it is experienced beyond the classroom.

Literians' incredible performance in Olympiads

~Soumya

We are filled with pride as we share with you all, the incredible achievements of our talented students. Harshita Priya has qualified for National Mathematics Olympiad, Atharva Raj is declared as the highest scorer in IOQM in North Bihar and Patna, RMO Category A and Vivan Kumar has qualified in IOQM in North Bihar and Patna, RMO Category B. The performers were blessed by the Chairman of our school, Mr Amit Prakash and Chairperson Ms. Anjali Singh. We, at Litera Valley, are always working to make the best come forward.

Our school takes immense pride in celebrating the remarkable achievement of our students who have successfully cleared Level 1 of the prestigious SOF Olympiads. These exams are known for their challenging nature, testing not only academic knowledge but also analytical thinking, problem-solving abilities, and conceptual clarity. Reaching this stage is no small feat—it is a testament to the students' dedication, perseverance, and intellectual excellence. Olympiads go beyond conventional learning, pushing students to explore subjects like Mathematics, Science, Computers, General Knowledge, English, Hindi, and Commerce with a deeper understanding and a sharper perspective. By excelling in such a highly competitive environment, these students have not only proven their academic prowess but have also set an inspiring example for their peers.

Exciting bits of visceral thrill at Rajgir's Pandu Pokhar

~Archisha Arya

An astonishing excursion to Rajgir at Pandu Pokhar Eco Adventure Resort was put in order by Litera Valley School on an exceptional note for grade 10th in order to repose their scholastic burden as the students demanded a nostalgic memory before ending their golden days of school. After completion of Pre-Boards 2 on 18th of January all the students boarded the bus in joy and vigour. The students were left awestruck after arriving at the destination and amused themselves by endeavouring variety of open air sports. On their way back they had a luscious meal, grabbed some snacks, revelled the sightseeing tour and had an upbeat ending.

Building Bonds through SPORTSMANSHIP: Kabaddi match at LVS

~Rashmi Prakash

On 27th December 2024, Litera Valley School (LVS) ended the year with a thrilling friendly Kabaddi match between the LVS Kabaddi Team (Boys) and Class 8 Boys. With Principal Sir and Head Mistress in attendance, students from Classes 6-8 cheered passionately as the school team secured a 72-25 victory.

Referees Mr. Vijay Parmar of the Bihar Kabaddi Association and Mr. Manoj Shekhar ensured fair play throughout the match. Such events promote teamwork, discipline, and mutual respect, making them an integral part of student growth. LVS continues to inspire holistic development through sports and education.

LITERIANS SHINE IN A REMARKABLE KHO-KHO MATCH

~Medha Bhardwaj

The Kho- Kho Match held in Litera Valley School on the 29th of January, 2025 was an electrifying display of energy, agility, talent, speed and resilience by the Literian athletes. The match was a part of the RIDS Activity focused on promoting an awareness about indigenous sports, following the highly anticipated Kho Kho World Cup. The two teams : LVS Tigers and Literian Giants, exhibited outstanding sportsmanship. The match was a fierce struggle marked by extraordinary expertise, and the Literian Giants emerged victorious in the end.

Clash of Titans: A Rugby Showdown to Remember

~Soumya

On February 14, 2025, Litera Valley School buzzed with excitement as the LITERIAN TIGERS clashed with the LVS LIONS in a thrilling rugby match during the RIDS Activity Initiative. The first half ended in a scoreless tie, with both teams fiercely defending. However, in the second half, the Tigers seized the moment, scoring 15 points—Harsh Raj contributed 10 and Manas Raj added 5.

As the final whistle blew, the Tigers celebrated their victory, while Principal Desmond Jude D'Monte praised both teams for their determination and sportsmanship, highlighting that rugby was about playing with heart. With the Tigers enjoying their win and the Lions promising to return stronger, it was clear this rivalry was just beginning.

A victorious moment at Battle of the Bands

~Shanvi

Our school band, Paranoia, didn't just perform—they set the stage on fire and claimed the Best Debut Band title at Battle of the Bands Season 5! Outshining 260+ bands from 40+ cities, they delivered a jaw-dropping performance in the top 12 finals, leaving the crowd of 15,000 live and 25,000 virtual viewers in awe!

🔥 Trisla Roy commanded the stage with a voice that shook the arena.

🎸 Sarthak Raj and Vaibhav Priyadarshi unleashed a blazing storm of riffs and solos that electrified the crowd.

🎹 Kanishk Poddar and Yash Raj Mehta created a musical masterpiece, weaving magic with every note.

🥁 Prince thundered through the night with unstoppable energy.

🎸 Shambhavi Sneh laid down grooves so deep they rumbled through every heartbeat.

This victory was made possible by the relentless dedication of Niranjan Sir and Vikas Sir, the unwavering support of our school, and the incredible encouragement from our Director, who even traveled to Pune to cheer them on.

This isn't just a win—it's a statement: Paranoia is here to dominate!

LITERA VALLEY SCHOOL ANNOUNCES GRAND ALUMNI REUNION AFTER 18 YEARS

~Sanskar

Litera Valley School is excited to announce the formation of its official Alumni Association, marking 18 years of excellence in education. This initiative, organized under the guidance of our respected Principal Desmond Jude D'Monte, aims to reunite former students, strengthen connections, and celebrate the legacy of the school. Over the years, Litera Valley School has nurtured talented individuals who have gone on to make significant contributions in various fields, including medicine, engineering, business, and the arts. The Alumni Association will serve as a platform for former students to share their journeys, mentor current students, and participate in special school events.

Call for Alumni Registration To ensure the success of this initiative, Litera Valley School urges all alumni to register with the Alumni Association. Registered members will receive updates about reunions, networking opportunities, and school activities.

How to Register:

1. Visit the official school website
<https://www.literavalleyschool.in/alumni-registration.php>
2. Navigate to the "Alumni Association" section.
3. Fill out the registration form with your details. Alternatively, alumni can contact the school office directly to register.

SPECIAL REQUEST

A Special Request to Current Students: If you have older siblings, cousins, or family members who studied at Litera Valley School, please help us by sharing this message with them. Your support will ensure that we reach as many alumni as possible and make this initiative a grand success. This is a wonderful opportunity for former students to reconnect, relive old memories, and contribute to the continued success of Litera Valley School. Under the leadership of our Principal and Headmistress, we look forward to building a strong and vibrant alumni network. Stay tuned for more updates and spread the word!

READ YOUR WAY TO DIFFERENT CORNERS OF THE WORLD

The advantage of having an edge over the rest!!

“The more that you read, the more things you will know. The more that you learn, the more places you’ll go.” – Dr . Seuss.... because“That’s the thing about books. They let you travel without moving your feet.” - Jhumpa Lahiri

Do you recall the first book you read? Or do you remember the last book you read? Are articles of interest to you? And what about the newspaper? Does it interest you? Are you addicted to reading? Answer these questions!! They are no-brainers as the thoughts you get while answering them are simple. And if you are unable to find the answers, better pick up a book and then the wonders of reading will settle in your hearts and souls to drive you on the road to discovery and wonder.

Whether you relish narratives, fiction books, encyclopedias, or magazines or newspapers, it is undeniable that the advantages of having good reading habits can take an individual ahead of the rest by the sheer exposure one gets by venturing into that corner of the world which otherwise would be next to impossible to visit.

Imagine visualising the seas and oceans, by the honeycomb of words, the author webs about varied experiences and terrains. So have you given a thought as to what intangible benefits one receives and imbibes with this wonderful reading skills by the sheer realm of diving into the world of books.

Let's see and feel the best that reaches mankind and shapes the personality:

The all-weather friend to ease all the monotony of the mundane

The best upsides of being a passionate booklover is that it provides a sort of friend, accompanying you on an unknown journey, unravelling a world to wander and exploration. And the bonus, removing boredom in the most engaging manner.

Enhance Your Cognitive Health: Do you remember the last time you got all your answers incorrect because you were unable to read the question well?

Certainly, reading is good for wellbeing of the brain, too. The benefits are immense and can be listed likewise:

- Learning new things (which builds brain plasticity)
- Sustaining fluid astuteness (the ability to analyze information, solve problems, and make decisions)

- Preventing or delaying the onset of Alzheimer's disease and dementia
- Reducing stress and anxiety
- Processing emotions
- Promoting better sleep
- Creating well-informed individuals

Besides these, Reading can guard against intellectual deterioration (abridged aptitude to reminisce, aim, absorb, and pay attention). Regular readers can maintain their cognitive abilities better as they age than those who do not read. They may have slower rates of memory loss and less decline in thinking skills.

Reduces Stress

Reading can be a vigorous way to unblock and escape from the stressors of daily life. Reading fiction, in particular, can improve your mental health and overall well-being.

Boosts Intelligence

Reading can increase your astuteness. The more you read, the more information you ingest. Reading is like exercise for the brain, and the more you use your brain, the better it functions. Just like a well-oiled machine works well with efficiency, a well-read brain processes information with enhanced alertness and improves academic insight.

Enhances Social Skills

Reading can augment your social skills because it gives you examples of social interaction to learn from. Research shows that people who read often have stronger social and behavioural skills compared to non-readers.

The Vocabulary Bank

Like the money you save from the regular pocket money in your piggy bank, the words add to the bank of vocabulary when you make books a part of your consistent efforts, making it a hobby or passion. The best window to the world comes from books, which provide armchair tourism for the refreshment of the heart and soul. And just as you feel elated to use the money from your piggy bank, you will love to use the words from your vocabulary bank, with enhanced articulation of thoughts into words. Mind you, it's not just about how you speak but also about how you can write.

In a nutshell reading is especially beneficial for children and students when the learning curve is best. Research shows that the sturdier reading skills are in childhood, the more intellectual a person is likely to be. Even if you were not an avid reader in the past, it is never too late to start reading and reaping the benefits of reading.

BUT THE BIG QUESTION IS HOW TO START IF YOU ARE A NON-READER?

See, the way forward is to take small steps to achieve big goals towards becoming a well-read person, ultimately making you a well-rounded personality:

- Take small steps to start
- Fix a daily time and schedule, even if it is just half an hour
- Start with one page, then two, then four and then a book
- Put the phone away, it is a time stealer
- Avoid distractions
- Pick genres that interest you
- Parents play the role model; little kids follow in their footsteps. Start reading to create the environment
- Join a book club, there would be like-minded choices and conversations
- Stay resilient, you may find it difficult at first, but once you dive into the endless sea of books, there is no looking back

So, what are you waiting for ? Create the brain gym for yourself to exercise the most important cognitive part of the human body ,remember reading is a skill and not a talent and a skill can always be developed.

“So please, oh please, we beg, we pray, go throw your TV(mobile phone) set away, and in its place, you can install a lovely bookshelf on the wall.” - Roald Dahl

Signing off with a few lines:

Train – The Book Journey

The red, the blue ,the green ,the pink
All appeared in just a blink
The mountains ,the valleys the ,the river brink
Seemed so clear as in a book I sink !

Wordsworth and Tennyson in the poems they wrote
Shakespeare and Tolstoy brought life to float
What Harry Porter and Tom Sawyer denote
Is a life of fantasy and are my moat !

Malgudi days with Swami
And James Bond with his alchemy
“The Brook” in a state of merry
All weave a journey worth each penny!!

Adorn the mind with the wonders of reading
Quite sure it's full of meaning
Go around the world in an ENGINE STEAMING
A train of thoughts to set the mind BEAMING!

- Moat: In business, a moat is a company's ability to maintain a competitive advantage over its competitors. Very popular usage in Shark Tank ...Current Season where the Sharks ask ,”What is your MOAT?”
- Alchemy: A power or process that changes or transforms something in a mysterious or impressive way
- Train: Pun Intended

CONCLUSION

As we close another chapter of our academic journey at Litera Valley School, we reflect on the experiences that have shaped us over the past months. From classroom lessons to exciting events, we've witnessed personal growth, shared laughter, and made lasting memories. But as the final bell rings and the warmth of summer approaches, it's time for us to recharge and embrace the season ahead.

Summer brings with it the promise of relaxation, adventure, and new experiences. It's a time to step outside the classroom and explore the world around us—whether that means traveling to new places, diving into a summer project, or simply enjoying the sunshine with friends and family. For all of us, it's a chance to reflect, rejuvenate, and come back ready for the challenges and opportunities that the next school year will bring.

As we bid farewell to this school year, let's hold on to the lessons we've learned and the friendships we've made. Here's to a summer full of fun, discovery, and rest. We look forward to another year of growth, learning, and achievements when we return. Until then, enjoy the break and make the most of every sunny moment!
