A LANDMARK INDO-GERMAN EDUCATIONAL ALLIANCE

“Die Sprache ist der Schlüssel zur Kultur - Language is the road map of a culture.”

The Literians had a remarkable opportunity to interact with Mr. Anton Körber from the Federal Foreign Office, Germany, who visited the school on 31st October 2025.

The event began with a warm welcome ceremony, where Mr. Amit Prakash (Chairman), Ms. Anjali Singh (Chairperson), Mr. Desmond Jude D'Monte (Principal), and Ms. Sujata Bhadani (Headmistress) felicitated the guest and lit the ceremonial lamp, symbolizing enlightenment and new beginnings.

The auditorium echoed with enthusiasm as students of Grades VI to XI showcased their talent through the Deutsch Band's energetic performance and a graceful German dance, both reflecting their growing interest and respect for German culture.

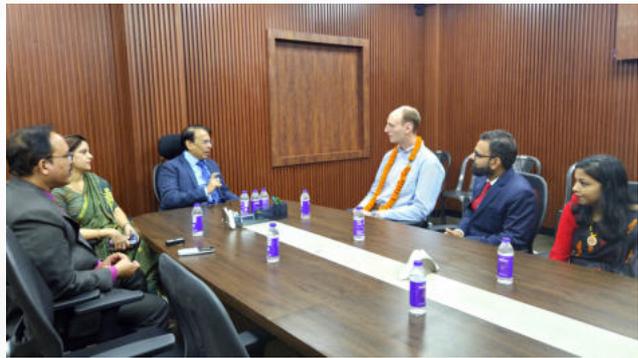

In his address, Mr. Anton Körber highlighted the vast opportunities that learning German can open up, emphasizing that Germany welcomes young, talented learners from India. He encouraged students to develop language proficiency, cultural awareness, and confidence—skills essential for becoming responsible global citizens.

The interactive session turned into a vibrant exchange of ideas. Students asked thoughtful questions about education, lifestyle, and career avenues in Germany. Their curiosity and enthusiasm reflected how learning a foreign language had already begun shaping their global perspective and communication skills.

The Principal and the Headmistress appreciated the delegate's insights and motivated the students to continue learning German with dedication and consistency.

The day truly enriched the students' understanding of how language learning goes beyond words—it builds bridges, fosters empathy, and connects minds across borders.
